Width:

1.500 inches

Thickness:

0.437 inches

Length:

5.562 inches

Mounting Hole Diameter:

0.531 inches all holes

Mounting Hole Quantity:

2

Mounting Hole Type:

Unthreaded

Special Features:

This is the opposite of part number cacn65-701-2451049 p/n 17

Material:

Copper alloy

Material Specification:

Aluminum bronze mfr ref single material response

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
