Overall Length:

16.7500 inches

Overall Height:

0.5000 inches

Overall Width:

0.0810 inches

Material:

Copper alloy 102 or copper alloy 105 or copper alloy 110 or copper alloy 116 or copper alloy 122 or copper alloy 125

Material Specification:

Qq-a-qq-c-576 federal specification single material response

Surface Treatment:

Tin

Surface Treatment Specification:

Mil-t-10727, type 2 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0

Mil-std (military Standard):

Mil-t-10727 spec.
