Overall Length:
16.7500 inches
Overall Height:
0.5000 inches
Overall Width:
0.0810 inches
Material:
Copper alloy 102 or copper alloy 105 or copper alloy 110 or copper alloy 116 or copper alloy 122 or copper alloy 125
Material Specification:
Qq-a-qq-c-576 federal specification single material response
Surface Treatment:
Tin
Surface Treatment Specification:
Mil-t-10727, type 2 military specification single treatment response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A042a0
Mil-std (military Standard):
Mil-t-10727 spec.
