Width:

0.5000 inches

Thickness:

0.1900 inches

Length:

3.5000 inches

Mounting Hole Diameter:

0.2010 inches all holes

Mounting Hole Quantity:

2

Aperture Diameter:

0.6000 inches

Mounting Hole Type:

Unthreaded

Features Provided:

Aperture

Aperture Shape:

Round

Material:

Steel comp 304

Material Specification:

Qq-s-763, class 304 federal specification single material response

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
