Overall Length:

7.8120 inches

Overall Height:

6.1100 inches

Overall Width:

4.8700 inches

Mounting Hole Diameter:

Between 0.3540 inches and 0.3680 inches

Mounting Hole Quantity:

4

Material:

Aluminum alloy a356.0

Material Specification:

Mil-a-21180, cl 2 military specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-std-171, fin. 7.3.3 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0

Mil-std (military Standard):

Mil-a-21180 spec.
