Overall Length:

10.5000 inches

Overall Height:

3.6800 inches

Overall Width:

8.0000 inches

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response or qq-a-25/8 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-std-171, fin. 7.3.1 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0

Mil-std (military Standard):

Mil-std-171 spec.
