Width:

3.200 inches

Thickness:

0.090 inches

Length:

7.920 inches

Mounting Hole Diameter:

0.169 inches all holes and 0.175 inches all holes

Mounting Hole Quantity:

10

Mounting Hole Type:

Unthreaded

End Application:

Patriot

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Surface Treatment:

Chromate

Shape:

Rectangular

Surface Treatment Specification:

Mil-c-5541 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0

Mil-std (military Standard):

Mil-c-5541 spec.
