End Application:

Patriot

Product Name:

Plate, mounting, electrical connector

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Surface Treatment:

Chromate

Shape:

Rectangular

Surface Treatment Specification:

Mil-c-5541 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0

Mil-std (military Standard):

Mil-c-5541 spec.
