Overall Width:

8.2500 inches

Material:

Steel comp 1010 or steel comp 1011 or steel comp 1012 or steel comp 1013 or steel comp 1015 or steel comp 1016 or steel comp 1017 or steel comp 1018 or steel comp 1019 or steel comp 1020 or steel comp 1021 or steel comp 1022 or steel comp 1023 or steel comp 1025 or steel comp 1026

Material Specification:

Astm-a-513 assn standard single material response or astm-a-569 assn standard single material response or astm-a-366 assn standard single material response

Surface Treatment:

Phosphate zinc

Surface Treatment Specification:

Mil-std-171, fin. 5.1.1 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A042a0

Mil-std (military Standard):

Mil-std-171 spec.
