Width:

3.5000 inches

Thickness:

0.2500 inches

Length:

7.5000 inches

Mounting Hole Diameter:

0.4060 inches all holes

Mounting Hole Quantity:

4

Mounting Hole Type:

Unthreaded

Material:

Steel uns k02600 or steel

Material Specification:

Astm a36 assn standard 1st material response or astm a108 assn standard 2nd material response or astm a635 assn standard 3rd material response

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530d0
