Mounting Hole Type:

Plain

First Leg Length:

0.165 inches

Second Leg Length:

0.165 inches

Special Features:

2.0165 to 0.168 in. Mtg holes

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 federal specification single material response

Style Designator:

Angle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
