Overall Length:

5.5000 inches

Overall Height:

3.0000 inches

Overall Width:

4.0000 inches

Material:

Aluminum alloy 5086

Material Specification:

Qq-a-250/7 federal specification single material response or astm-b-209 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
