Hole Diameter:

0.112 inches

Overall Length:

3.2500 inches

Overall Width:

0.3000 inches

Height:

0.1900 inches

Material:

Rubber silicone class q cushion

Material Specification:

Aqq-a-250/11 federal specification 1st material response band

Surface Treatment:

Chromate band

Surface Treatment Specification:

Mil-c-5541, cl 1a military specification single treatment response band

Style Designator:

General purpose

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A12700

Mil-std (military Standard):

Mil-c-5541 spec.
