**Overall Length:**

13.0000 inches

**Overall Height:**

2.8970 inches

**Overall Width:**

0.1250 inches

**Mounting Hole Diameter:**

Between 0.5600 inches and 0.7500 inches

**Mounting Hole Quantity:**

2

**Material:**

Aluminum alloy 5083 or aluminum alloy 5086

**Material Specification:**

Qq-a-250/7 federal specification single material response or qq-a-250/6 federal specification single material response or qq-a-200/4 federal specification single material response or qq-a-200/5 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A042a0
