Overall Length:

13.0000 inches

Overall Height:

2.8970 inches

Overall Width:

0.1250 inches

Mounting Hole Diameter:

Between 0.5600 inches and 0.7500 inches

Mounting Hole Quantity:

2

Material:

Aluminum alloy 5083 or aluminum alloy 5086

Material Specification:

Qq-a-250/7 federal specification single material response or qq-a-250/6 federal specification single material response or qq-a-200/4 federal specification single material response or qq-a-200/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
