**Aperture Diameter:**

0.014 inches

**Features Provided:**

Aperture

**Special Features:**

Item contains 6holes, 3 of which are .138-32unc-2b thru, and 3 that are .138-32unc-28, .250 minfull thd, no break thru

**Material:**

Steel comp 303

**Material Specification:**

Astm a582, type303, cond a assn standard single material response

**Shape:**

Rectangular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A530d0
