Aperture Diameter:

0.014 inches

Features Provided:

Aperture

Special Features:

Item contains 6holes, 3 of which are .138-32unc-2b thru, and 3 that are .138-32unc-28, .250 minfull thd, no break thru

Material:

Steel comp 303

Material Specification:

Astm a582, type303, cond a assn standard single material response

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
