Thread Direction:

Right-hand right internal

Thread Length:

6.0 millimeters right internal

Length:

6.0 millimeters

End Application:

Nsn 6685-01-444-0974, tester, pressure gage

Cross-sectional Shape:

Hexagon

Thread Size:

3.0 millimeters right internal

Thread Pitch In Millimeters:

0.5 right internal

Material:

Steel comp 301 standoff

Style Designator:

Internally threaded full length

Thread Series Designator:

Iso m right internal

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A08900
