Overall Length:

0.700 inches

Flange Thickness:

0.040 inches

Overall Width:

0.320 inches

End Application:

Striker, xm707, 2350014553174

Design Type:

Flange

Special Features:

Finish 7.5.2 of mil-std-171 color black

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-200/8, alloy 6061 federal specification single material response or qq-a-250/11, alloy 6061 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A536n0

Mil-std (military Standard):

Mil-std-171 spec.
