End Application:

2350-01-368-9528

Special Features:

Protective finish per paragraph 2.4; exterior paint system, drawing 12350824

Material:

Aluminum alloy 5083 or aluminum alloy 5086

Material Specification:

Qq-a-250/6 federal specification single material response or qq-a-250/7 federal specification single material response or qq-a-200/4, h111 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A53000
