Stock Diameter:

0.380 inches

Inside Length:

4.620 inches

End Application:

Bradley

Handle Clearance:

3.380 inches

Mounting Method:

Yoke

Product Name:

Handle, manual control

Special Features:

2350-01-368-9528; carrier command post; material steel 1010-1025 per spc astm a576

Material:

Steel

Style Designator:

Oval

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0
