Overall Length:

0.250 inches

Overall Height:

0.625 inches

Overall Width:

0.250 inches

Mounting Hole Type:

Plain

End Application:

Ssm-xmitter g

Product Name:

Bracket, extender card

Material:

Steel

Material Specification:

Qq-s-764, t 303 federal specification single material response

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
