Overall Width:

2.000 inches

End Application:

Hh-3f helicopter

Special Features:

Part of: troop seat upper fittingassembly; dimension listed is stock size; material: aluminum 7075-t6

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-277 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
