**Overall Width:**

2.000 inches

**End Application:**

Hh-3f helicopter

**Special Features:**

Part of: troop seat upper fittingassembly; dimension listed is stock size; material: aluminum 7075-t6

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-277 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A042a0
