Width:

1.210 inches

Thickness:

0.119 inches

Length:

1.630 inches

End Application:

Wrecker truck

Raised Surface Diameter:

0.469 inches

Raised Surface Height:

0.300 inches

Product Name:

Stackable clamp weld plate

Special Features:

The two raised surface features are .250-20unc-2b

Material:

Steel

Surface Treatment:

Chromate zinc

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530d0
