Width:

8.000 inches

Thickness:

1.750 inches

Length:

10.500 inches

Mounting Hole Diameter:

0.880 inches all holes

Mounting Hole Quantity:

4

Mounting Hole Type:

Unthreaded

End Application:

Communications central

Mounting Configuration:

In each of the 4 corners 1.50 inches from the edge

Product Name:

Shackle plate

Material:

Steel uns k02600

Material Specification:

Astma-36 assn standard single material response

Shape:

Special

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
