Overall Length:

2.125 inches

Overall Height:

1.710 inches

Overall Width:

1.000 inches

Mounting Hole Quantity:

3

End Application:

C17a acft

Product Name:

Bracket, water spigot

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-200/8 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 3, class 1 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0

Mil-std (military Standard):

Mil-a-8625 spec.
