**Tube Outside Diameter For Which Designed:**

0.178 inches

**Overall Diameter:**

0.307 inches

**Design Type:**

Threaded

**Opening Inside Diameter For Which Designed:**

0.178 inches

**Special Features:**

Consists of pin and pug; pin length 0.218 and outside diameter 0.182; plug long feature

**Material:**

Aluminum

**Surface Treatment:**

Anodize

**Surface Treatment Specification:**

Mil-a-8625, type 2, class 1 military specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A539I0

**Mil-std (military Standard):**

Mil-a-8625 spec.
