Fastening Device Type:

Cross recess head screw

Special Features:

1st tube diameter 0.625 in; 2nd tube diameter 0.750 in

Material:

Steel band

Material Specification:

Ams5510 assn standard single material response band

Surface Treatment:

Passivate band

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A12700
