Overall Width:

1.720 inches

End Application:

Bison wheeled apc, general motors

Special Features:

Fastening device type - pin; length of pin - 3.200 inch max; length of clamp - 2.550 inch max

Material:

Steel nut

Material Specification:

Sae j429 grade 5 assn standard single material response nut

Surface Treatment:

Phosphate zinc

Style Designator:

Single loop

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A12700
