Overall Length:

10.250 inches

Overall Height:

7.000 inches

Overall Width:

7.500 inches

End Application:

Carrier, bridge launching; tank, abrams m-1

Product Name:

Bracket, radiac

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/ii federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
