Width:

0.310 inches

Thickness:

0.032 inches

Length:

2.000 inches

Mounting Hole Diameter:

0.196 inches all holes

Mounting Hole Quantity:

2

Material Hardness Rating:

85.0 rockwell b

Material:

Steel comp 302

Material Specification:

Qq-s-766, class 301 federal specification single material response

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530d0
