Overall Length:

8.068 inches

Overall Height:

2.750 inches

Mounting Hole Type:

Plain

End Application:

Helicopter, attack

Product Name:

Frame, joint

Material:

Aluminum alloy

Surface Treatment:

Anodize

Surface Treatment Specification:

H+4-2, type 1, class 1 mfr ref all treatment responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
