End Application:

Generator set, diesel engine, trailer mounted

Pipe Accommodation Diameter:

1.000 inches

Supported Item And Quantity:

1 pipe

Product Name:

High impact polyethylene strap

Special Features:

Base length: 2.750 in.; distance between mounting holes 2.300 in.; mounting holes 0.200 in dia

Material:

Plastic

Material:

Plastic

Style Designator:

Solid ring

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T319-d
