Width:

0.380 inches

End Application:

Aircraft (ac-130h, mc-130h, ec-130e, hc-130)

Mounting Method:

Mounting slots and unthreaded hole

Section Length:

28.437 inches

Side For Which Designed:

Left hand or right hand

Height:

0.500 inches

Product Name:

Rail, slide

Material:

Steel comp 630

Material Specification:

Ams 5604, cond a, 17-4 ph assn standard all material responses

Style Designator:

1 - piece

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
