Overall Diameter:

2.460 inches

End Application:

C130p

Design Type:

Threaded

Special Features:

Contains plug, lubricant, dry film, cap retainer, pin, and clevis, named on drawing cargo plug assembly

Material:

Aluminum alloy

Fsc Application Data:

Used on part number lex-7482, ac130u-mc-130h

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539I0
