**End Application:**

Steering and diving servo valve assembly, quiet

**Product Name:**

Retainer, spring

**Material:**

Steel, ams 5643

**Material:**

Steel comp 630

**Material Specification:**

Ams 5643 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T319-a
