Helical Compression Spring Retainer - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5340-01-474-8804

End Application:
Steering and diving servo valve assembly, quiet
Product Name:
Retainer, spring
Material:
Steel, ams 5643
Material:
Steel comp 630
Material Specification:
Ams 5643 assn standard single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T319-a
