Width:

1.250 inches

Thickness:

0.500 inches

Length:

3.200 inches

End Application:

2350-01-369-6079; carrier, personnel, full tracked; m-113a1, m-113a2, m-113a3

Product Name:

Cleat, rear

Material:

Steel comp mt1010

Material Specification:

Qq-t-830, comp mt1010 federal specification single material response

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530d0
