**Securing Device Type:**

Threaded fastener

**End Application:**

2350-01-368-9500

**Product Name:**

Door

**Material:**

Aluminum alloy 5052

**Material Specification:**

Qqa-250/8 federal specification all material responses

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A531n0
