End Application:

Navy equip; 1/2" relief valve type 1551-1

Product Name:

Spring step

Special Features:

Material specification is qq-b-637 aly 485

Material:

Copper alloy

Material:

Copper alloy

Style Designator:

Seat

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T319-e
