Overall Length:

4.000 inches

End Application:

2320-01-355-3062

Handle Clearance:

4.690 inches

Product Name:

Handle, manual control

Material:

Steel comp 304

Material Specification:

Astm a276, .25 in thick x 1.500 wide assn standard 1st material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0
