Cross Sectional Shape:

Flat

Body Thickness:

Between 0.095 inches and 0.155 inches

End Application:

2350-01-432-1526

Product Name:

Cover, access, bilge pump

Material:

Aluminum alloy 5086

Material Specification:

Qq-a-20517 federal specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531c0
