Width:

11.320 inches

Thickness:

0.500 inches

Length:

14.500 inches

Cushioning Material:

Plastic, polyurethane foam

Product Name:

Pad, tray asu no 2, turret tps

Special Features:

Rend item pn 7000006; nha pn 7000368; material foam, unicellular polyethylene per ppp-c-1752, type 1, grade a, class optional, with a density of 2 lbs per cubic foot, color black; construction method of foam is optional

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T141-e
