Width:

26.640 inches

Thickness:

0.500 inches

Length:

27.669 inches

Special Features:

Exterior paint per 19207 12350824

Material:

Aluminum alloy 5083

Material Specification:

Mil-a-46027 military specification single material response

Shape:

Special

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0

Mil-std (military Standard):

Mil-a-46027 spec.
