Width:

1.280 inches

Thickness:

0.250 inches

Length:

Between 4.720 inches and 4.740 inches

Mounting Hole Diameter:

0.281 inches all holes

Mounting Hole Quantity:

2

Mounting Hole Type:

Unthreaded

Product Name:

Slider, bearing retainer

Material:

Steel comp 304

Material Specification:

Qq-s-763, class 304 federal specification single material response

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
