Overall Height:

Between 0.770 inches and 0.800 inches

Overall Width:

0.750 inches

End Application:

Sh-2g seasprite helicopter

Product Name:

Stops, rescue hoist boom & center nacelle doors

Special Features:

Material stock size 2.900 x 0.800x 0.800; material acetal; material specification astm d-4181; 2 mounting holes 0.156 inch dia

Fsc Application Data:

K836850

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
