**End Application:**

Sh-2g seasprite helicopter

**Product Name:**

Block assembly, support details in flight refueling

**Special Features:**

Assembly consists of 2 k679771-21blocks and 2 k679771-23 blocks; both bblock stock size 2.030 x 2.530 x 2.780inch; phenolic sht material; material specification mil-p-15035 ty fbg

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A105a0
