End Application:

Sh-2g seasprite helicopter

Product Name:

Block assembly, support details in flight refueling

Special Features:

Assembly consists of 2 k679771-21blocks and 2 k679771-23 blocks; both bblock stock size 2.030 x 2.530 x 2.780inch; phenolic sht material; material specification mil-p-15035 ty fbg

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A105a0
