Securing Device Type:

Threaded fastener

Mounting Opening Shape Style:

Closed horizontal slot

End Application:

5420-01-430-5403

Product Name:

Front cover

Material:

Iron

Material Specification:

Mil-a-12560 military specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531c0

Mil-std (military Standard):

Mil-a-12560 spec.
